

Connecting everyday users with the brands they love

Advertisers rely on good user data to engage and convert target audiences. What if there was a safe, protected way for social media users to earn extra money by sharing their “likes” with their social communities? Pinmo is creating a community to do just that.

The Pinmo Solution

Pinmo is bringing digital marketing to the blockchain, creating a decentralized network for everyday people to monetize their user experience on social media, and brand marketers to increase their advertising efficiency.

Market Size

\$200B

Digital advertising by brand marketers in 2017 worldwide

\$41B

Global social media ad spend in 2017

13%

YoY growth for digital advertising spend

The Pinmo Team

Scott Meng, CEO

Scott is an expert in automated digital solutions. He founded Evilnut Creative Technology, which quickly grew into a multi-million dollar corporation.

Hafeez Noorani, CMO

An expert in social media marketing, Hafeez brings more than 10 years of experience building strong strategies, growth, and engagement online for Coinpayments.net, Coworker.com, and more.

Leon Zhu, CTO

An experienced full-stack developer and system architect, Leon began his career with the venerable Electronic Arts before becoming CTO of Evilnut. He is also an early adopter of Bitcoin mining.

Our Partners

Who We Are

As a digital marketing company, Pinmo already has a proven track record of connecting brands and consumers with our in-app service. Now, with blockchain technology and our digital asset, we're launching a decentralized network for a new way of marketing: creating more authentic, impactful advertisements that connect brands and consumers on a personal level.
